\*We are happy to accommodate your unique family needs while you are visiting Manuel Antonio. We also offer half day/hourly options if you do not wish to enroll your children for the full day or week. We respect your family's time while experiencing a new country and honor adventure time, beach time, and days you wish to not have your children at school. Just send us an email and we can create a unique plan to fit your family.

\*We currently are unable to accommodate children under the age of 4. However, we do have a local bilingual preschool that we partner with and highly recommend for traveling families with children under 4 years old.

*We thank you for considering Life Project Education. We love having visiting students as it deeply enriches the educational experience for everyone involved. We strongly believe in a World Learning Model and hope you will join us!*
